

9. conference of Croatian Geotechnical Society **SISAK 2023** with international participation and under auspices of ISSMGE: **Geotechnics in epicentre - PETRINJA 2020** **4. - 6. May 2023. in Sisak.**

The conference will be concentrated on the geotechnical consequences of earthquakes - namely the Petrinja M6.4 earthquake which occurred on 29.12.2020 and the Zagreb earthquakes on 22.03.2020., as well as the experiences in the geotechnical investigation, design and reconstruction gathered after these earthquakes, with the aim to mitigate the consequences of future earthquakes. Other topics are welcome as well.

CONFERENCE PROGRAMME: We are planning a three-day conference:

Thursday, 4.5.2023. Welcome cocktail

Friday, 5.5.2023. Invited lectures, presentations of papers, discussions and gala dinner

Saturday, 6.5.2023. Excursion through beautiful Banovina, visits to construction sites, lunch and return to Sisak.

INVITED LECTURES: **President of ISSMGE-a, Marc Balouz, PhD** will deliver a lecture on geotechnical forensics, and professor **Carlo Lai, PhD** will deliver the lecture Multi-scale zoning of a territory for earthquake-induced soil liquefaction.

APPLICATION: We are inviting the colleagues to send us an abstract and announce their participation in the conference through the form on our web pages: www.hgd-cgs.hr

IMPORTANT DATES:

Abstract submission	12.12.2022.
Information on the abstract acceptance	19.12.2022.
Paper submission	01.02.2023.

EXHIBITION AND SPONSORS: If you wish to exhibit your products, present your project or your organization, please, write to SISAK.2023@gmail.com.

REGISTRATION FEE: Due to the change in currency in Croatia, the registration fee will be formed in January 2023.

ORGANIZING COMMITTEE

Sonja Zlatović, Conference president
Leo Matešić, HGD President
Krunoslav Minažek, HGD Secretary
Igor Sokolić, HGD Treasurer
Damir Vujić
Maja Vuković Bogović
Laszlo Podolszki
Josip Peranić

ADVISORY COMMITTEE

Ikuo Towhata
Misko Cubrinovski
Dietmar Adam
Atilla Ansal
Rolando Orense
Sonja Zlatović
Leo Matešić
Krunoslav Minažek
Ivan Vrkljan

SCIENTIFIC COMMITTEE

Dietmar Adam, Austria
Željko Arbanas, Croatia
Krešo Ivandić, Croatia
Tomislav Ivšić, Croatia
Milorad Jovanovski, North Macedonia
Boris Kavur, Croatia
Ivan Kosović, Croatia
Biljana Kovačević Zelić, Croatia
Predrag Kvasnička, Croatia
Janko Logar, Slovenia
András Mahler, Hungary
Leo Matešić, Croatia
Snježana Mihalić Arbanas, Croatia
Krunoslav Minažek, Croatia
Predrag Mišćević, Croatia
Mensur Mulabdić, Croatia
Želimir Ortolan, Croatia
Jovan Papić, North Macedonia
Igor Peševski, North Macedonia

Tanja Roje Bonacci, Croatia
Josip Peranić, Croatia
Laszlo Podolszki, Croatia
Igor Sokolić, Croatia
Stjepan Strelec, Croatia
Suzana Svetlicic, Slovenia
Antun Šzavits-Nossan, Croatia
Bruno Škacan, Croatia
Nataša Štambuk-Cvitanović, Croatia
Nenad Šušić, Serbia
Josip Terzić, Croatia
Ákos Török, Hungary
Andrey Totsev, Bulgaria
Mato Uljarević, Bosnia and Herzegovina
Franjo Verić, Croatia
Goran Vlastelica, Croatia
Ivan Vrkljan, Croatia
Sabid Zekan, Bosnia and Herzegovina
Sonja Zlatović, Croatia
