## **President of the Croatian Geotechnical Society**

welcomes dear friends and guests from Slovenia, Hungary and Austria, as well as members of the Society and guests from Croatia.

The Croatian Geotechnical Society invites distinguished experts in Geotechnical Engineering to broaden our horizons, share experiences, and advance and promote our professions.

These lectures are named after great Croatian Professor Ervin Nonveiller, PhD, as we wish to remember him, his contributions, his methods, and his person, and we wish younger colleagues to look up to him with respect and pride.

# Professor Ivan Vrkljan, PhD

for the preparation  
of the precious book  
Ervin Nonveiller, Teacher and Engineer  
Zahvaljujemo na pripremi krasne monografije,  
koja prikazuje život i rad  
velikog profesora Ervina Nonveillera,  
njegove metode, njegove doprinose  
i njegovu osobnost, na koju se vrijedi ugledati,  
također i razvoj geotehnike u Hrvatskoj,  
uključujući niz zanimljivih projekata  
- zanimljivi poklon za kolege i studente  
koji pokazuje što naša struka doista znači.
